

SOUTHWEST BALL HOCKEY

2010 STORM TEAM TRYOUTS

Storm Teams will participate in at least two tournaments. One held at our rink in April. One that will take place out of state. **NOTE:** Most likely this to take place July 30, 31 and August 1st at Greensburg, PA (Not Penn Hills). Further details to come.

ALL players currently playing in our winter league are welcome and encouraged to tryout. Each player **MUST** attempt to make one of the first two tryouts.

The plan is to have the Minors, Juniors & Seniors take one team each of 14 players. These players will be selected from all players that tryout from that age group. Whether you are playing in the A or B division of that age group will not be a factor in selecting the Storm teams.

The total cost per player for both tournaments will be \$200.00. This will include entrance into both tournaments, jersey, insurance, transportation, hotel room and meals for the out of state trip. Each player is encouraged to obtain sponsors to help cover his/her cost. Further information will be made available regarding this.

Any player making one of the Storm teams will be required to participate in both tournaments.

If you have any questions, please contact your division commissioner.

HEAD COACHES: The league requests that each head coach be present at all the tryouts for your division & participate in the selection of these teams.
