Southwest Ball Hockey (SWBH) continues to vigorously strive for the highest standards of sportsmanship in ball hockey. Every participant whether player, coach, referee, official, administrator, parent or spectator, has a responsibility to behave in a respectable manner and comply with and support our organizations Code of Conduct.

SWBH established Code of Conducts for players, parents, coaches and managers. Player's parents, coaches, and managers are expected to confirm by Agreement their intentions to honor the applicable Code of Conduct. All players, parents, coaches, and managers also will be expected to emphasize the SWBH mission statement. All programs will be administrated without regard to race, religion sex or national origin.

Parent's Code of Conduct

- ❖ Parent members of SWBH are expected to follow the Parent's Code of Conduct
- ❖ Teach by example. The parent is the most important example a child can relate to. Do not embarrass your child by yelling at players, coaches or officials. Show self-discipline, self-control, good sportsmanship, and a positive attitude; your child will benefit.
- ❖ Emphasize skill development and practices and how they benefit your young athlete. De-emphasize games and competition in the younger age levels. Winning is a consideration but not the only one, nor the most important one. Care more about the player than winning the game.
- ❖ Read the rules of Ball Hockey and support the officials on and off the court. Encourage your child to play by the rules. Encourage and applaud good sportsmanship. Help support the game and the referees. Any criticism of the officials only hurts the game and consequently your child.
- ❖ Never verbally or physically abuse your child after a game or practice. It is destructive. Help remove all physical and verbal abuse in youth sports. Players require a good example as opposed to criticism.
- ❖ Support volunteer coaches. They are important to the development of your child and the sport. Respect the role of the coaches. Do not try to coach from the stands.
- ❖ Recognize that your child's coach and assistant coach are responsible for developing team play, as well as individual player skills. If you have a concern about your child's player time, discipline or personal problems, please discuss it with the coach in private.
- ❖ No parents are permitted on the rink at anytime, unless a medical emergency exists, and an official summons them.
- ❖ Parents are expected to attend all games and practices. If you are unable to attend, ensure that someone present at the event knows where you can be reached. If your child is unable to attend, please notify the coach in advance.
- ❖ Parents are responsible for the safe transportation and custody of their children. They are also expected to supervise the off-rink activities of their children. If a parent cannot be present, they must assign a responsible individual to be left in charge of the children while at the rink.
- ❖ In the event of an extreme parental vocal or physical provocation of referees, coaches, or players, the offending parent will be asked to leave the rink by an official or a member of the Board of Directors, and the matter will be referred to the Grievance Committee. SWBH reserve the right to ban the offending parent from future games and practices. Failure to comply with this ban will result in suspension or termination of the player.
- ❖ Alcohol is absolutely forbidden at the rink – including the parking lot area at all times.

We, _____, promise to adhere to SWBH Code of Conduct. If found to violate these policies, promise to comply with the decisions of SWBH as represented by its Board of Directors with respect to any suspensions or penalties that may result.
